I am no longer writing a book. The Lean Startup Book is done. Finally, really, truly, done. On July 4, I celebrated Independence Day by making my very last revisions to the paper (!) page proofs, and mailing (!) them back to my publisher.

Lessons Learned: The Lean Startup Book is here

Lean startup is a methodology for developing businesses and products, which aims to shorten product development cycles and rapidly discover if a proposed business model is viable; this is achieved by adopting a combination of business-hypothesis-driven experimentation, iterative product releases, and validated learning.. Central to the lean startup methodology is the assumption that when ...
