### **Describing Words: A Lesson Plan on Adjectives**

In this video, adjectives and adverbs are analyzed. Even though both of these part-of-speech groups are modifiers, they are used differently and modify different parts of speech. A quick review is followed by a more intense discussion of using these modifiers with singular nouns and collective nouns. The fact that some words may function as either an adjective or adverb is illustrated.

English has developed over the course of more than 1,400 years. The earliest forms of English, a set of Anglo-Frisian dialects brought to Great Britain by Anglo-Saxon settlers in the 5th century, are called Old English. Middle English began in the late 11th century with the Norman conquest of England and was a period in which the language was influenced by French.
