Social and economic disadvantage—not only poverty, but also a host of associated conditions—depresses student performance. Concentrating students with these disadvantages in racially and economically homogenous schools depresses it even further.

### **Why Our Schools Are Segregated - Educational Leadership**

Leadership is both a research area and a practical skill encompassing the ability of an individual or organization to "lead" or guide other individuals, teams, or entire organizations. [citation needed] Specialist literature debates various viewpoints, contrasting Eastern and Western approaches to leadership, and also (within the West) United States versus European approaches.
