Partnerships. The elements of the human resource department play an integral role in every aspect of a business. The HR professionals serve as partners to the owner, the managers, front-line supervisors and employees. HR carries out specific requests for various departments while maintaining the overall objectives of the company as a whole.

## **What Are the Three Key Elements of Human Resources?**

Organizational design is an overarching element in the Framework. It grows out of an organization's mission and human resources strategies and is the process through which programmes and plans are created and implemented to fulfil the aims of the organization.

## **A Framework for Human Resources Management**

Organizations in the non-profit sector are increasingly challenged by the same HR issues as organizations in other sectors – an aging workforce, falling recruitment levels and rising skills requirements. However many boards and managers in our sector lack the skills, tools and resources to address these challenges.
