The majority of graduates joining the workforce in this present era will be the millennial generation, born between 1994 and 2000. Millennials matter to employers because they are not only different from those that have gone before, they are also more numerous than any since the soon-to-retire Baby Boomer generation.

Postmodernism is a broad movement that developed in the mid- to late-20th century across philosophy, the arts, architecture, and criticism and that marked a departure from modernism. The term has also more generally been applied to the historical era following modernity and the tendencies of this era. (In this context, "modern" is not used in the sense of "contemporary", but merely as a name ...
