"In our study, we are seeing that science fiction can be one of these resources that make science more attractive," Solbes wrote in an e-mail to Inside Science. "Students like science fiction especially in films; however, science fiction has also given an image of science and scientists that is distorted."

### **Using Science Fiction to Educate | Inside Science**

Science Fiction and Speculative Fiction began as an authored volume by me, but I soon found myself seeking a collection of assorted voices on a range of genres dear to me as a reader and fan.

### **Science Fiction and Speculative Fiction Science Fiction and**

virtually invented the genre of science fiction. Although fantasy and science fiction tales were published occasionally and artists had depicted fantasy scenes in engravings for many years, the first science fiction magazine proper, Amazing Stories, appeared in 1927, published and edited by Hugo
