international politics purpose global pdf
International relations theory is the study of international relations (IR) from a theoretical perspective. It attempts to provide a conceptual framework upon which international relations can be analyzed. Ole Holsti describes international relations theories as acting like pairs of coloured sunglasses that allow the wearer to see only salient events relevant to the theory; e.g., an adherent ...

Geopolitics (from Greek Î³á¿† gÃª "earth, land" and ï€Î¿Î»Î¹Ï„Î¹Îº politiká¸— "politics") is the study of the effects of geography (human and physical) on politics and international relations. While geopolitics usually refers to countries and relations between them, it may also focus on two other kinds of states: de facto independent states with limited international recognition and ...

As an aside, though also related, in terms of the economic situation, it has been common, as the above briefing is titled, to blame the victim on causes of poverty, corruption, lack of development, and so forth. This has often applied to Africa, as well as other regions around the world when discussing such things in the mainstream.
