Marking the 500th anniversary of Martin Lutherâ€™s challenge to the established church, the New Weather Institute and campaign group Rethinking Economics, with input from a wide range of economists, academics and concerned citizens, challenged the mainstream teaching of economics and published a call for change in 33 Theses for an Economics Reformation.

The new reformation: 33 theses for an economics reformation

Aquinas famously said: beware the man of one book. I would add: beware the man of one study. For example, take medical research. Suppose a certain drug is weakly effective against a certain disease. After a few years, a bunch of different research groups have gotten their hands on it and done all ...
