Northwestern University's Midwest Academic Talent Search (NUMATS) is a research-validated program that utilizes above-grade-level assessment, as a means of gifted testing, to help parents and educators better understand their students' educational needs. NUMATS allows eligible students to take internationally recognized tests before the grade levels at which they are normally administered.

NUMATS - Gifted Testing | Northwestern Center for Talent

Home page for AP students, prospective students and their families. The College Board's AP courses are college-level classes in a wide variety of subjects that you can take while still in high school.
