In public relations and communication science, publics are groups of individual people, and the public (a.k.a. the general public) is the totality of such groupings. This is a different concept to the sociological concept of the Öffentlichkeit or public sphere. The concept of a public has also been defined in political science, psychology, marketing, and advertising.

Public interest law is a term that became widely adopted in the United States during and after the social turmoil of the 1960s. It built upon a tradition exemplified by Louis Brandeis, who before becoming a U.S. Supreme Court justice incorporated advocacy for the interests of the general public into his legal practice. In a celebrated 1905 speech, Brandeis decried the legal profession ...

La maggior parte di noi usa le parole come strumenti, non come oggetti di pensiero: non usiamo il metalinguaggio. In questo le parole sono subdole, perché fanno finta di essere strumenti puri, ma invece hanno una direzione loro, conferiscono una direzione ideologica alle cose che noi vogliamo dire, spesso a nostra insaputa.

Declarations. Two major declarations on international environmental law are: The Declaration of the United Nations Conference on the Human Environment (the 1972 Stockholm Declaration) (UN Doc. A/CONF/48/14/REV.1 (1972)). This declaration represented a first major attempt at considering the global human impact on the environment, and an international attempt to address the challenge of preserving ...
