Danish Design is a style of functionalistic design and architecture that was developed in mid-20th century. Influenced by the German Bauhaus school, many Danish designers used the new industrial technologies, combined with ideas of simplicity and functionalism to design buildings, furniture and household objects,

many of which have become iconic and are still in use and production.

TGI Fridays is an American restaurant chain focusing on casual dining. The company is a unit of the Sentinel Capital Partners and TriArtisan Capital Partners, who purchased the company from Carlson Companies in May 2014. The name is asserted to stand for "Thank God It's Friday", although as of 2010 some television commercials for the chain have also made use of the alternative phrase, "Thank ...
