"Johnny 99" is a song written and recorded by rock musician Bruce Springsteen, which first appeared on Springsteen's 1982 solo album Nebraska

Johnny 99 (song) - Wikipedia

If the range of acceptability, or tolerance limit, for your product is at or outside the four sigma point on the distribution curve for your process, you are virtually assured of producing acceptable material every timeâ€”provided, of course, that

Standard distribution curve with mean, sigma values and

Influenza vaccines, also known as flu shots or flu jabs, are vaccines that protect against infection by influenza viruses. A new version of the vaccine is developed twice a year, as the influenza virus rapidly changes. While their effectiveness varies from year to year, most provide modest to high protection against influenza.

Background The Importance Minimum Ages Intervals Vaccine

Iâ€™ve seen analyses of the long odds the U.S. government would face if it ever attempted to confiscate civilian firearms before. The Mathematics of Countering Tyranny seems like a particularly well done example.. The authors compute that under very generous assumptions there are about 83000 door-knockers available to perform confiscation raids.

Case studies of previous sociotechnical transitions 5 suggest that niche innovations can break through when

their growing internal momentum combines with increasing tensions within the existing sociotechnical system and growing pressures on that system from the external landscape. In combination, these create "windows of opportunity"™ for radical change.

Explaining sociotechnical transitions: A critical realist

Some people have expressed concerns about vaccine safety. The fact is vaccines save lives and protect against the spread of disease. If you decide not to immunize, you're not only putting your child at risk to catch a disease that is dangerous or deadly but also putting others in contact with your child at risk.

Vaccine Safety: The Facts - HealthyChildren.org

A total of seven shots were fired into our National Space Science and Technology Center (NSSTC) building here at UAH over the weekend. All bullets hit the 4th floor, which is where John Christy's office is (my office is in another part of the building).
